

An Introduction to Fundraising

As a tenants and residents group, you want your neighbourhood to be brilliant – a clean, green, safe place with lots to do! Grants and funds can help you to achieve these aims. There are pots of all different sizes, and for all different kinds of projects. Our Introduction to Fundraising promises to be informal, informative and fun with lots of opportunity to meet members of other groups and share ideas.

The session will cover:

- Why you need to fundraise
- Where to get the money from
- How to look after it
- How to work out what difference that money has made
- Where to get more help
- How to Budget
- How to do a Funding Plan
- Organisational skills and more

If you have any access, dietary or any other needs please let us know and we will be glad to assist.

All sessions will be held at a north Manchester location and refreshments will be provided.
