

Involving Everybody

Are you a newly established Tenants and Residents Group? Perhaps you are thinking of setting up a group, or you have been established for a while but would like some new ideas. If so, why not come to our "Involving Everybody" session? It promises to be informal, informative and fun with lots of opportunity to meet members of other groups and share ideas.

The session will cover:

- Developing an action plan to involve people not currently involved
- Developing ways of putting equality into practice so particular groups are not excluded
- Empowering committee members to challenge unacceptable behaviour
- Drawing up a useful profile of your area

If you have any access, dietary or any other needs please let us know and we will be glad to assist.

All sessions will be held at a north Manchester location and refreshments will be provided.
