#### Application to exchange house

It may not be possible to approve an exchange under the following circumstances.

- i. Where proceedings for possession of either dwelling house has been begun (which includes service of a Notice of Seeking Possession) on one or more grounds which include Grounds 1-6, Part 1, Schedule 2 Housing Act 1985
- ii. Where a Court Order has already been granted or applied for by the landlord for re-possession of your property.
- iii. Where a property would be substantially too large for your needs.
- iv. Where a property would be unsuitable for your needs.
- v. Where a property is occupied by the applicant as a service tenancy.
- vi. Where a landlord is a registered charity, Housing Association or Housing Trust and its lettings policy restricts the applicant from being considered for the property.
- vii. Where a property has been adapted for the needs of a suitable person (e.g. disabled) and these alterations are not required by the proposed new tenant and family.
- viii. Where the landlord is a Housing Association or Housing Trust which lets property only to people whose circumstances (not financial) make it especially difficult for them to find accommodation but the proposed new occupant is not in this position.
- ix. Where the property is for letting to those with special needs and where special facilities are provided (e.g. warden controlled) and are not required by the proposed new tenant and family.

#### **Declaration**

- (a) I am prepared to accept the property into which I propose to move in its present condition and agree that any alterations carried out by the current tenant will be my responsibility to maintain, replace and/or re-instate as required (save only where the landlord has agreed to repair and maintain the same).
- (b) I understand that failure by any party to take up permanent residence in the new home will result in my having to move back to my original tenancy.
- (c) If the proposed exchange is authorised by the landlords concerned, I certify that no monetary or other consideration will be offered or accepted by any party.
- (d) I understand that any false or intentionally misleading statement or withholding relevant information now or at any subsequent date will result in my tenancy being terminated.

I have read and understand the above and I certify that the information I have given is true and correct to the best of my knowledge.

I also understand that:

- the completion of this form doesn't constitute an agreement to the proposed exchange
- I must not move out until permission is received in writing from MCC Housing Services.
