

Disabled tenants:

We want disabled tenants to live as independently as possible and we work with Manchester Equipment & Adaptations Partnership providing free services such as:

Extra equipment

Free 'daily living' equipment to make life easier and give you more independence – things like walking frames, bath seats or special kitchen/cooking equipment.

It doesn't matter how old you are, or what your condition is, and you can keep the equipment as long as you need it. Talk to us as soon as you need help – we can't pay for equipment you've bought yourself in the past.

Making adaptations

If we can't help by providing daily living equipment, we'll talk about you moving to a specially adapted home.

If this isn't suitable we may fit adaptations to your current home – depending on your circumstances and the type of home you live in. Minor adaptations, like stair-rails or grab-rails, can be done quickly. Bigger jobs like a stairlift or level-access shower take longer.
