

**Northwards Housing  
Customers and Communities Sub-Committee Meeting**

**Board Room – Hexagon Tower  
Friday 26 2009 at 1.30 pm**

In place of their June meeting, the Sub Committee decided to go on a tour of retirement and high rise schemes. Councillor Anna Trotman and Karen Blakeley attended, and the tour took in the following locations: Victoria Square, Apprentice Court, Sir Robert Thomas Court, Rushcroft Court, Kentmere Court (with refreshments in the community room), and George Halstead Court. Sub Committee Members met staff and residents at each of the schemes, and found the tour interesting and informative.
